We then schedule our **planning sessions** on a day and time that is convenient for you! This ensures that we answer all of your questions and we plan a clear timeline for your big day!

04

On your wedding day, we follow our pre-agreed timeline, which ensures that we capture every single special moment. We also help you stay on track by making any necessary changes or arrangements.

Engagement Shoot

R1 900

An engagement photoshoot is a way to celebrate your engagement, build confidence, and practice for your wedding day. It's also an opportunity to capture your connection and emotions. It also gives you beautiful and captivating photos to use for your save-the-date invitations and your wedding website. Let's have some fun, get to know each other better and create even more beautiful memories before the big day!

"Day After" Shoot

R1 900

A "day after" photoshoot takes place the day following (or soon after) your wedding day. This is an opportunity for you, as a newly married couple, to wear your wedding attire again and have pictures taken at a chosen location.

The photoshoot has a much more relaxed atmosphere compared to the wedding day, allowing for more creative shots and a chance to fully enjoy the moment without the wedding day rush. Let's have some MORE fun and create even MORE beautiful memories now that you are finally married!
